VANESSA

THE VLOGGER ADVENTURES

A perfectly productive day... right?

One livestream. A runaway skateboard. Total breakfast chaos.

01 / Good Morning, Followers!

Morning light fills the bedroom. Vanessa is still dreaming of a perfectly peaceful day.

TICK... TOCK...

VANESSA

A quiet morning. What could possibly go wrong?

The camera is ready. Vanessa starts her morning livestream with a sunny smile.

LIVE!

VANESSA

Good morning, my lovelies! We have an incredibly productive day ahead!

02 / Coffee and Chaos

The doorbell rings. A friendly courier arrives with coffee and a pastry. So far, so good!

DING-DONG!

VANESSA

Oh, my coffee! Thank you!

Back in the bedroom, Vanessa steps onto a skateboard Barsik has left in her path.

WHOOOSH!

VANESSA

Whoa, whoa, wait! A little express route update!

03 / Kitchen Express

She rolls into the hallway, trying to balance her phone and save her hairstyle.

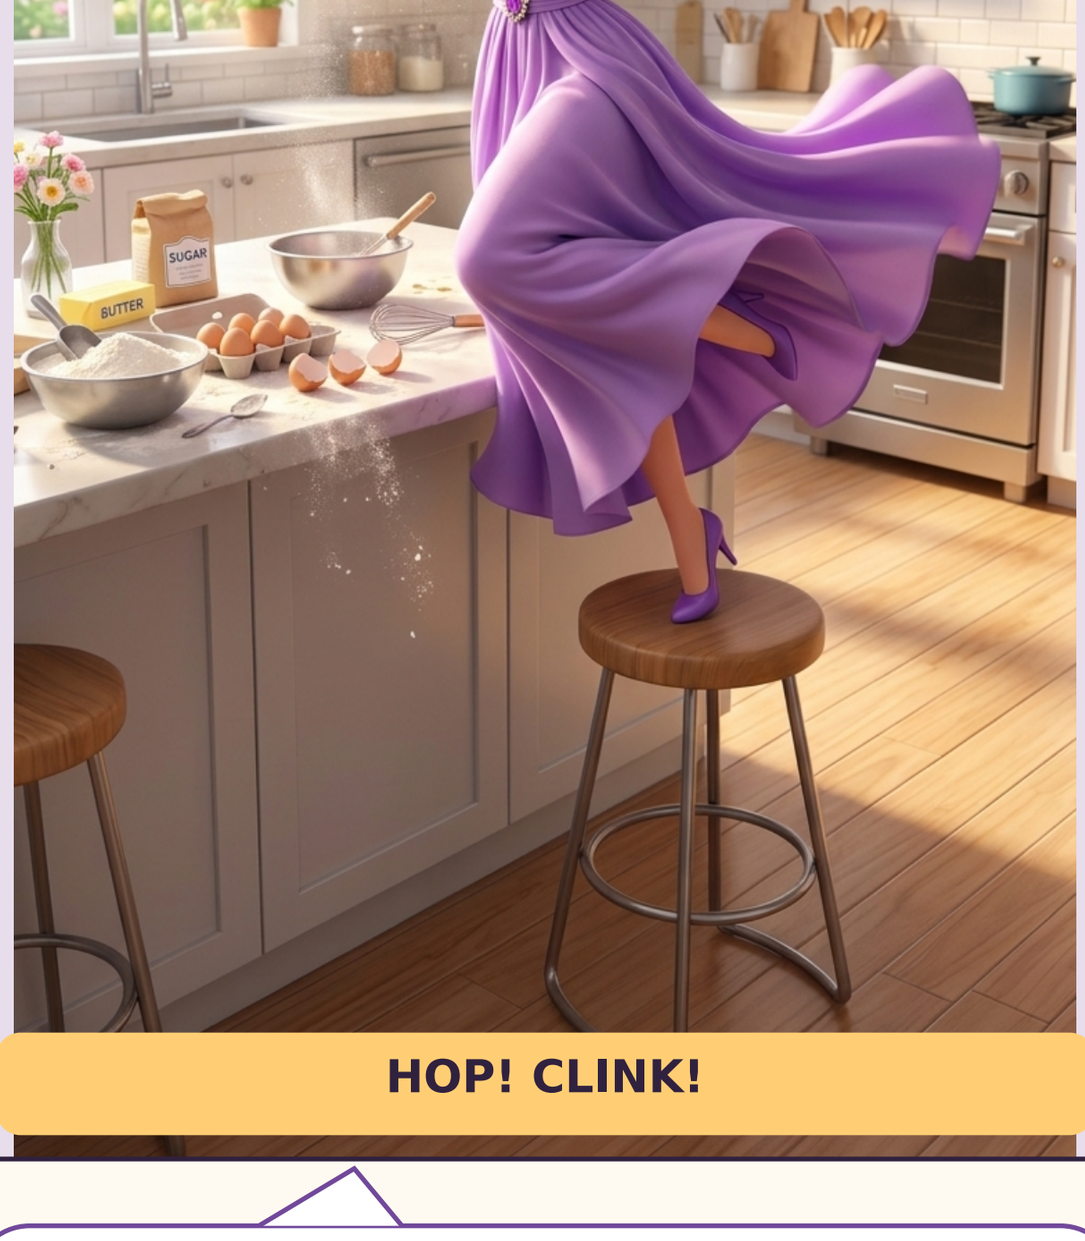

R-R-ROLL!

VANESSA

Welcome to Extreme Fitness at Home! Somebody catch me…

One spectacular hop later, Vanessa lands on a kitchen stool. Time to make breakfast!

HOP! CLINK!

VANESSA

And here we are in the kitchen! My signature pancake cake—in three minutes!

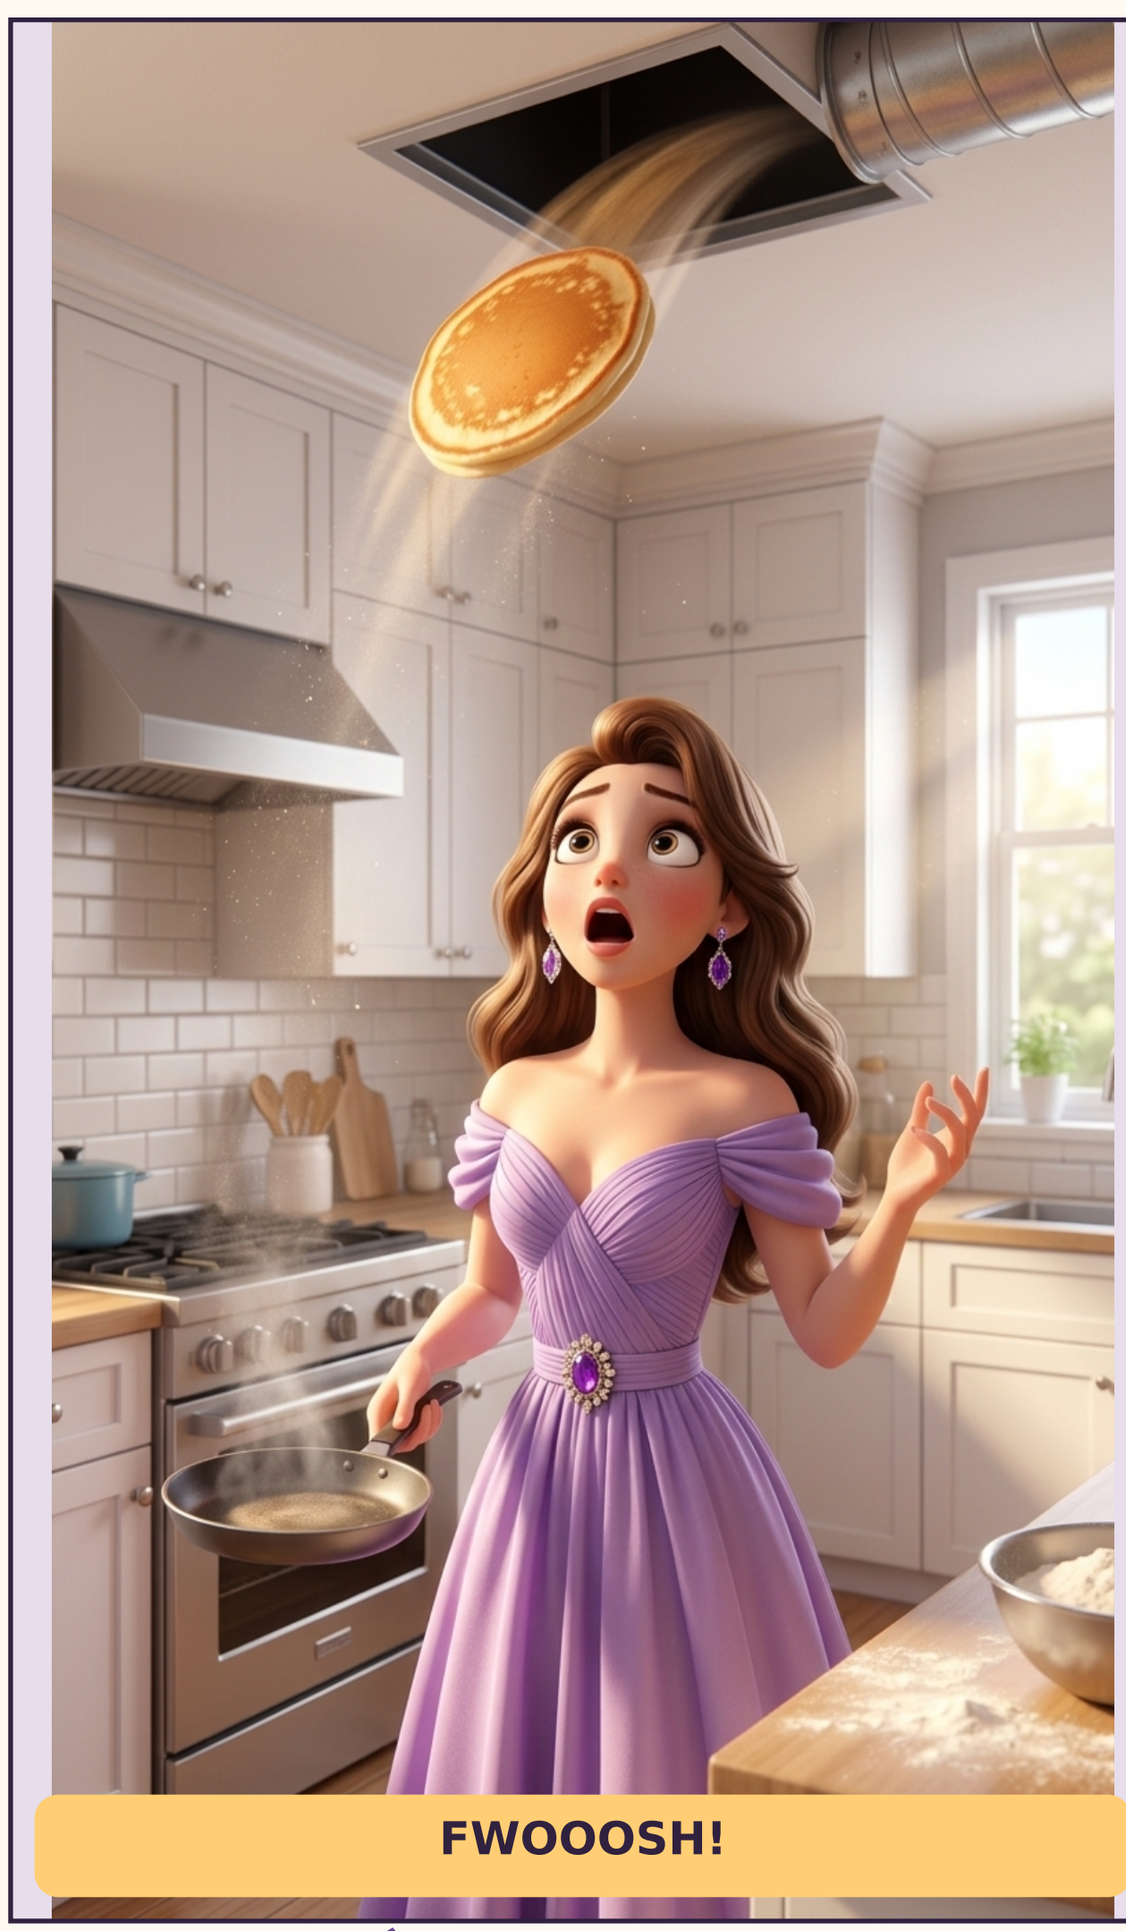

04 / Pancake Air Mail

A one-handed egg trick goes wrong. The camera gets a very close look at the yolk.

Vanessa flips a pancake. It sails far too high—and heads straight for the air vent.

SPLAT!

FWOOOSH!

VANESSA

And… this perfect cooking masterclass has officially gone off-script!

VANESSA

Not the vent! There is a whole season of dust up there!

05 / Gravity Has Other Plans

Mr. Crumple has come to investigate the noise. An unexpected breakfast lands on his head.

Vanessa retreats—and steps on the smart ironing board pedal. Up she goes!

PLOP! HMPH!

BOI-OI-OING!

MR. CRUMPLE

Vanessa! Your cooking experiments are flying into my hallway again! I am calling the landlord!

VANESSA

Uh-oh! We have an unscheduled rocket launch!

06 / A Very Unhappy Cat

Back in the kitchen, spilled milk sends Vanessa into one more spectacular spin.

SKID! SPLASH!

A second egg lands on Barsik. His new hairstyle does not improve his mood.

MRR... HISS!

VANESSA

Aaaah—whoops! Gravity is really showing off today!

VANESSA

Sorry, Barsik! That creative quiff really suits you. Honestly!

07 / Smile for the Camera!

Vanessa lands in a split, flashes a smile, and invites her grumpy co-star into the shot.

TA-DA!

Hearts and likes light up the screen. Somehow, this chaotic morning is a hit!

DING! DING!

VANESSA

Like, follow, and remember: the right smile can rescue any morning!

VANESSA

Bye-bye! See you next time!
