VANESSA

OPERATION PANCAKE

Just another quiet morning...

One alarm. One selfie. One very unexpected breakfast.

01 / Rise, Shine… and Flip!

The alarm rings. Half asleep, Vanessa reaches for her phone—and hits the smart lamp instead.

BEEP! BAM! BOOM-BOOM!

VANESSA

Five more minutes… Wait, why is there a rave in my closet?

In the kitchen, Vanessa attempts the perfect pancake flip while taking the perfect selfie.

SIZZLE… CLICK!

VANESSA

Good morning, followers! Time for a masterclass in the perfect breakf—uh-oh!

02 / Breakfast Takes Flight

The pancake soars out of sight. Vanessa looks up. This was definitely not part of the recipe.

WHOOOOSH!

A soft landing… right on Barsik! The bewildered cat now has a rather fashionable pancake hat.

PLOP! MEOW?

VANESSA

Please, not on my new coat!

VANESSA

Sorry, Barsik! It suits you… but that was supposed to be breakfast!

03 / The Grand Recovery

Backing away in a panic, Vanessa steps into spilled milk. Her morning takes another unexpected turn.

On the floor, Vanessa fixes her hair, strikes a pose, and smiles. Naturally, she meant to do that.

SKID… WHOA!

TA-DA!

VANESSA

Aaaaand… WHOOPS!

VANESSA

And you thought mornings were boring? Follow for more!
